Dear Gerard,

I would like to take this opportunity to inform you that, from 18 October through to 21 November 2011, the Corporation will be issuing approximately 220 000 annual statements to employed workers and working directors. Statements for self employed workers will be issued in February 2012.

The Corporation continues to promote to employers the benefits of using our online reporting system. For the 2010/11 returns recently lodged, 77% of employers lodged online, which was consistent with the previous year.

Overall, 92% of employed workers have their service lodged online. This is certainly an encouraging result and the Corporation will continue to inform employers of the simplicity of using our online services to meet their legislative obligations.

If you would like to discuss any aspect of the scheme please do not hesitate to contact me on (02) 4321 7473.

Yours sincerely

Scott Warr
Director
